**DR. STEINHOFF  
PÉTER MÁRTON**

- Faculty of Dentistry of the Semmelweis University in Budapest and the Albert-Ludwig University in Freiburg, graduating in 2006, completed his orthodontist qualification in 2009.
- Used the Damon system with his first patients, and it is still the dominant device in his practice.
- Since 2007, he has been an active participant in the Damon Forums, developing his knowledge at numerous foreign lectures and in-office courses.
- He has been giving lectures on the Damon system in Hungary since 2012, and leads study clubs on the topic.
- In 2015, as an official speaker of Ormco, he became a member of the Key Opinion Leader Group, where they use and develop each other's knowledge with practicing speakers from Europe, Asia and Africa.
- The recommended therapy for his patients includes the treatment of the whole body and TMI problems, his daily work is assisted by a manual and respiratory therapist as well as a speech therapist.
- Ultima Founder since 2022
